NORTHERN DISTRICT OF CALIFORNIA

QURIO HOLDINGS, INC.,

Plaintiff,

v.

DIRECTV LLC,

Defendant.

Case No. 15-cv-01986-HSG

**ORDER RE SCHEDULING AND
DISCOVERY DISPUTE**

Re: Dkt. No. 91

A case management conference was held on June 4, 2015. The Court directed the parties to meet and confer in a good faith attempt to resolve their scheduling and discovery disputes. On June 12, 2015, the parties filed a revised proposed schedule, on which they fully agree. Dkt. No. 90. Also on June 12, 2015, the parties filed a joint discovery letter brief addressing the proposed two-stage reduction of asserted claims and corresponding prior art combinations and references, which is the only outstanding discovery dispute. Dkt. No. 91.

Having reviewed the parties' joint discovery letter brief and considered the arguments therein, the Court within its discretion finds it appropriate to limit the number of asserted claims and prior art as follows:

- Initial Reduction. By October 14, 2015, Plaintiff Qurio Holdings, Inc. will elect up to 30 claims from the patents-in-suit, with no per-patent limitation on the number of claims that may be elected. By October 28, 2015, Defendant DirecTV LLC will narrow its asserted prior art to no more than 30 combinations and no more than 42 references total.

The Court will determine the specific parameters of the second reduction of asserted claims and prior art following the issuance of a claim construction order in this case.

The Court sets the following case deadlines pursuant to Federal Rule of Civil Procedure 16 and Civil Local Rule 16-10:
